

## PEARSON INCLUSIVE ACCESS ETEXT WITH **STANDARD INTEGRATION** MASTERING & MYMATHLAB COURSEWARE

**Instructor Info: *Standard Integration***- Instructors set-up their MyLab, Mastering or Revel course and link it to Canvas as they have done in the past. Pearson provides one code good for all students to redeem for the course and they enroll in the course through the linked Canvas course.

Please schedule a time for training or assistance (if needed) to ensure that your Canvas course is set up correctly, ideally no later than December 15, 2019.
